

IP44

Surface-mounted one and two-piece grounded sockets for dry spaces (IP20). The one and two-pieced splash-proof (IP44) sockets with flap lids are suited for outdoor and indoor use in damp spaces.

IP44

PRODUCT CODE	CODE	KG	PRODUCT FAMILY
2441596	S4PRAD	0.138	

IP44

EC000125

Mounting

Connection type	Screw terminal
Mounting method	Surface mounted
Degree of protection (IP)	IP44

Structure

Model	Protective contact (SCHUKO)
Colour	White
Transparent	No
Material	Plastic
Surface protection	Untreated
