

Flat Plug Rewirable

FLAT PLUG REWIRABLE WHITE IP20

Description of product family

A flat plug suitable for indoor use is an excellent choice for an outlet that would otherwise be awkwardly placed behind a large piece of furniture such as a bookshelf or bed. The depth of the plug is only 7 mm, so your furniture can be placed very close to the wall. The pull handle makes it easier to pull out the plug. For a 16 A, 3 x 1.5 mm cord.
