

1-way European extension cord unearthed 3m

1-W EURO EXT.CORD UNEARTHED 3M

Description of product family

Convenient, flat and non-earthed European extension cord for Euro-plugged products for indoor use, such as table and floor lamps, candlesticks and other home electronics. A light extension cord makes it easier to connect decorative lights on the wall, for example.

Technical details

A compact optical smoke alarm (Ø 45 mm, height 42 mm). The optical smoke alarm detects smoke and reacts quickly by producing a loud 85 dB alarm. EN14604 certified. 10-year battery CR2/3 AH 3V lithium, non-replaceable. The hush function allows you to deactivate the alarm in advance for a limited period to avoid unnecessary alarms when cooking, for example.
