

Grounded extension cords

5-WAY EXTENSION CORD 5M

Description of product family

White earthed extension cords for indoor use. The selection includes several cord lengths from half a metre to five metres. A selection of extension cords without a switch, with one, three or five sockets.

Technical details

An optical smoke alarm with a hush function. This allows you to cook without activating the alarm, for example. A single press of the button will switch the sound off for approximately 10 minutes, after which the alarm will return to active mode automatically. The optical smoke alarm detects smoke and reacts quickly by producing a loud 85 dB alarm. EN14604 certified smoke alarm. Service Life 8 years.
