

## Extension cords with a switch

### 3-WAY EXT.CORD+SWITCH 1.5M L.BLUE

#### Description of product family

Earthed extension cords with an on/off switch and indicator light. Cord lengths from one metre to five metres. White extension cords with three, four or six sockets. Black extension cords available with three or six sockets. The selection also includes fun pink or light blue extension cords with three sockets.

#### Technical details

A Smart water leak detector allows you to respond quickly to any leaks and prevent more substantial water damage by notifying you of leaks through the Airam SmartHome app. This allows you to call for help even if you are not at home. For indoor use only. Battery charge indicator. A history function shows a list of previous alarms. The water leak detector does not come with an extension cable for the sensor, which means that the detector can only be used for areas where the device itself can fit. 3 x AAA battery, included. 85 dB / 3 m.
