

Fuses

UNIVERSAL FUSE 10A 5-PACK

Description of product family

Airam fuses do not contain lead or cadmium. 10 A, 16 A, 20 A and 25 A fuses available. The products are sold in packs of five. A fuse is a safety device that protects the user from injuries and prevents damage to the device as a result of overheating or power surges. A blown fuse must always be replaced with a new one of similar size.
