

Handy

Handy 1100 IP21 14W 830/840 DSO WH

Intermediate space luminaire

Description of product family

The popular Airam Handy task lighting series is designed for general lighting above kitchen worktops and utility room surfaces. Before installation, the colour temperature is selected — 3000 K or 4000 K. Handy fixtures come in four lengths and wattages. They can be surface-mounted either straight or at a 45° angle. The series also includes models with a double grounded socket and an on/off switch that allows the sockets to be controlled directly from the luminaire.

Technical details

Handy 1100 DSO task light for general illumination above kitchen counters or utility room worktops. Select the colour temperature — warm white (3000 K) or cool white (4000 K) — before installation; the selector is inside the luminaire. Led 14 W 1500 lm, luminaire length 1100 mm. Includes a power outlet. Reversible orientation, suitable for both left- and right-side installation. Surface-mounted, through-wired and chain-connectable 4 x 2.5 mm². Indoor use, IP21.
