Wall luminaire

Alppila Double is an adjustable luminaire that can be used to accentuate a building's architectural details. The classic design of the Alppila range is timeless. This luminaire range distributes light downwards and can be used to illuminate façades and patios. With the luminaires, you can highlight your façade and provide illumination for access routes that run close to the building. Thanks to their elegant design, the luminaires are also suitable for indoor use.
