BASIC
BASIC ALUMINIUM PROFILE WH 2M

Aluminium profile

Surface-fastenable aluminium profiles facilitating fastening of LED strips. Aluminium profiles give the lighting a finished, tidy look protecting the LED strips against dust and dirt. The opal white polycarbonate-plastic globe reduce dazzle from direct LED light. The aluminium profiles are suitable for LED strips max. 10 mm wide. Two different models: the low Basic model and the Corner model. The package contains end pieces and fasteners.
