

Saunaed Sq

Saunaed Sq 260 8W/827 PCO TRL

Sauna luminaire

Description of product family

Saunaed Sq (square) is a stylish sauna luminaire equipped with an integrated AC LED. The wooden shade is manufactured in Finland from high-quality domestic alder. The luminaire is dimmable, allowing you to adjust the light output to suit the atmosphere. The dust- and water-tight luminaire can be surface-mounted or recessed into the wall. We recommend treating the wooden parts with a wood protection product before use. You may also tint the wood to match your sauna interior. The product carries the Design from Finland label.

Technical details

Square-shaped Saunaed Sq with a non-replaceable, dimmable AC LED, 8 W 500 lm 2700 K. IP65. Operating temperature +5... 60 °C. Wooden shade made from Finnish black alder, which can be treated and tinted based on preference. The product carries the Design from Finland mark.
