

Zeo Duo

Zeo Duo 280 IP20 12W 830/840 PCO WH

Ceiling light

Description of product family

The round Zeo Duo ceiling light is designed for general lighting in dry indoor spaces and is installed directly into a ceiling lamp socket. The pre-wired lamp plug allows for quick and easy installation, and the luminaire can be hooked into place without tools. Before installation, you can conveniently select the desired colour temperature with a switch: white 3000 K or cool white 4000 K. The light is even and turns on instantly. The polycarbonate body and diffuser provide top-level impact resistance, rated IK10 against mechanical shocks.
