

## Handy

Handy 550 IP21 8W 830/840 WH

Intermediate space luminaire

### Description of product family

The popular Airam Handy task lighting series is designed for general lighting above kitchen worktops and utility room surfaces. Before installation, the colour temperature is selected — 3000 K or 4000 K. Handy fixtures come in four lengths and wattages. They can be surface-mounted either straight or at a 45° angle. The series also includes models with a double grounded socket and an on/off switch that allows the sockets to be controlled directly from the luminaire.

### Technical details

Handy 550 task light for general illumination above kitchen counters or utility room worktops. Select the colour temperature — warm white (3000 K) or cool white (4000 K) — before installation; the selector is located inside the luminaire. Led 8 W 800 lm, luminaire length 550 mm.
