FIL 4.5W 15000h BX

Decorative lamp, antique surface

The lamps in the Amber series are modern LED versions of decorative carbon filament lamps. Their light is warm and soft, and they offer excellent 360-degree light distribution. The cover has a warm amber hue. When combined with the elegant cord, the lamps look impressive even without a lampshade. The eco-friendly cardboard packages are colour-coded. The colour indicates the corresponding incandescent bulb, making the choice simpler for the consumer. Technical specifications are also clearly presented.

Clear classic filament LED lamp 4.5W 2200K E27 360lm 15000h 60x108mm, full glass, colour Amber, cardboard packing. Supply frequency ~50/60Hz.
