For all residential lighting needs

A very comprehensive lamp series that provides a solution for all residential lighting needs. These lightweight, durable lamps can fully replace incandescent bulbs, halogen lamps and compact fluorescent lamps. The lamps have a pleasant, warm white (2700 K) colour temperature. The opal light source provides non-glaring light. The eco-friendly cardboard packages are colour-coded. The colour indicates the corresponding incandescent bulb, making the choice simpler for the consumer. Technical specifications are also clearly presented.
