## FIL 4.9W 15000h BX

These amber lamps make an eye-catching design element as they are.

Thanks to their beautiful design, the elegant Airam SmartHome Amber CCT LED lamps do not even require a lampshade. The LED filaments are spiral-shaped and the bulb is amber in colour. You can use your mobile device to adjust the lamp's colour temperature from warm to white (1,800–3,000 K). If you switch off the lamp from the switch, the last lighting setting is saved in the system's memory. Airam's SmartHome products can be controlled with Airam's SmartHome app. Download the app from the App Store or the Google Play Store. The app is available in Finnish, Swedish and English. You can connect the devices to your Wi-Fi network. You do not need a separate hub! The products can be connected to the Google Assistant, Amazon Alexa and Siri Shortcut voice control systems.

SmartHome clear Edison bulb CCT WiFi filament LED lamp 4.9W 1800-3000K E27 350lm 15000h 64x142mm, colour Amber, cardboard packing. Supply frequency ~50/60Hz.
