

LED-linear with R7s base

LED R7S 827 1055lm 78mm

Replace linear halogen lamps with LEDs!

Description of product family

Replacement LED lamps for old linear halogen lamps. Available in two different sizes and one dimmable model. LED-linear lamps with R7s base are suitable for use as light sources in various floodlights, for example. They are efficient and energy-saving lamps. Therefore, they are ideal for use in applications where powerful light is needed for long periods, such as during renovations. The products are packed in cardboard packaging.
