

LED-linear with R7s base

LED R7S 827 2000lm 118mm DIM

Replace linear halogen lamps with LEDs!

### Description of product family

Replacement LED lamps for old linear halogen lamps. Available in two different sizes and one dimmable model. LED-linear lamps with R7s base are suitable for use as light sources in various floodlights, for example. They are efficient and energy-saving lamps. Therefore, they are ideal for use in applications where powerful light is needed for long periods, such as during renovations. The products are packed in cardboard packaging.
