

## Smoke Alarm Optical Hush

### SMOKE ALARM OPTICAL 9V B/O HUSH

#### Description of product family

This optical fire alarm is easy to silence temporarily using the large Hush button. You can fry food without having to worry about setting off a fire alarm and causing the neighbours concern. A single push of the button silences the alarm for about 10 minutes, after which it is activated automatically. Battery included. Comes in recyclable cardboard packaging, can be hung or placed on a shelf. The optic smoke detector detects smoke and responds quickly with an audible 85 dB alarm sound. EN14604 approved smoke detector. Service life 8 years.
