

Pocket Clip Work Light

POCKET CLIP WORK LIGHT 120LM

Description of product family

This handy LED work light is perfect for illuminating various tasks. Features a pivoting head and a zoom function that allow you to focus the light precisely where you need it. The base of the light includes a magnet that can be used to secure it to a metallic shelf, for example! There is also a clip for attaching the light to your belt or cap, for example, at the back. Batteries included.

Technical details

The clip-on work light features a hinged head (90°) and an adjustable beam (zoom function). A magnet is located on the base, and there's a clip on the back. Perfect for versatile lighting needs. Keep it in your car for unexpected situations. LED light source, 100 lm. Operates on 3 x AAA batteries, included.
