

Pocket Work Light

COB LED POCKET WORK LIGHT

Description of product family

The handy pocket work light leaves your hands free! The thin, pencil-shaped LED lamp is easy to bring along and can be placed in your shirt pocket to provide illumination. Clip-on mount. Secured with magnets on the base and the pocket clip. Batteries included with the product. Open the battery case and remove the plastic covering before use. Available in various colors.

Technical details

Handy pen-style pocket work light that can be attached with a clip, for example to a chest pocket. Magnets on both the base and the clip. 3 W COB LED, 200 lm. Operates on 3 x AAA batteries, included. Remove the protective plastic from the batteries before use.
