

Pump Thermos 1.9 l

PUMP THERMOS 1.9 L

Description of product family

The vacuum interior of the pump thermos is made of glass, which is why one must carefully follow the instructions on its use and maintenance. The product has a warranty of one year.

Technical details

The 1.9 L pump thermos has a glass vacuum insert, so its usage and care instructions should be followed carefully. The advantage of glass is that it does not affect the taste of the beverage. The product comes with a one-year warranty.
