

Jumbo

Incl. straw

Steel mug

The genuine Airam Jumbo is a trendy steel mug with a generous size to quench your thirst at the gym, the office, etc. The narrow base ensures that the mug also fits the cup holders in your car. A volume of 0.85 liters. The mug features a screw-on lid with a rubber seal. The cap includes a secure drinking port and an opening for the included metal straw with a rubber seal. Available in two colors: black and pale pink. Size 90 x 235 mm.
