

Hekla

HEKLA STEEL FOOD THERMOS 0,5L RED

Food Thermos 0.5 L

Description of product family

The Hekla stainless steel food thermos offers excellent heat retention – perfect for keeping meals hot and steamy or fresh vegetables cool and crisp until break time! It includes a foldable metal spork that fits neatly into the lid. With quality gear, every hike feels more rewarding. Pack your meals in Hekla and your drinks in Campi thermoses – both product families are known for outstanding hot and cold retention.
