

# T8

## 950lm 24000h

Hanging packs T8 G13 2700K and 3000K

The comprehensive T8 G13 range offers the most common power ratings and lengths of fluorescent tubes. They are suitable for a range of purposes and are among the most widely used artificial light sources. The product information is clearly visible on the packaging. The packaging can be placed on a hanger or shelf. The tone is warm white or pure white (2700 K or 3000 K).
