Cool white colour temperature

The lamps in this general purpose series have a clear white tone (4000 K) that increases working efficiency and vitality. The lamps can be used in various ways to light up different rooms, from the hall to the living room. The series includes several bulb shapes and base models. The eco-friendly cardboard packages are colour-coded. The colour indicates the corresponding incandescent bulb, making the choice simpler for the consumer. Technical specifications are also clearly presented.
