

Reading or Crafting Light

AIRAM READ + HANDICRAFT LIGHT

Description of product family

This lightweight lamp is the perfect product for anyone who enjoys reading or crafting. A handy light source also for small home repairs! Wrap the lamp around your neck to direct the light on your lap. The product leaves your hands free, thus letting you focus on what you are doing. Available in two colors: white or dark gray, which does not show fingerprints as easily. Produces powerful light from both ends. You can choose the lighting level from three different settings. Recharges via USB, charging cable included in the box. The products are delivered in a convenient countertop stand featuring 5 pcs. for easy in-store displays. The individual product packages can also be hung on hooks.

Technical details

A must-have for book lovers and crafters alike! Simply wrap the lightweight light around the back of your neck for hands-free use. The glare-free LED beam shines precisely on your book or craft project, providing clear and comfortable lighting. Flexible arm for easy positioning. Built-in 120-lumen LED. USB rechargeable (charging time: 4–5 hours, usage time: 4–8 hours). Product length: 680 mm
