

Pink Ribbon Makeup Mirror

PINK RIBBON MAKEUP MIRROR

LED lights, USB-rechargeable

Description of product family

A handy makeup mirror that fits easily in your bag. One mirror is standard and the other provides 3x magnification. The magnifying mirror is surrounded by an LED light ring. The light turns on automatically in cool white when the lid is opened. Adjust the light tone via the on/off touch sensor: the first touch changes it to warm white, the second to cool white, and the third turns it off. By pressing and holding the sensor, the brightness can be dimmed continuously. USB-C charging port on the bottom. Operating time approx. 2 hours. By purchasing a Pink Ribbon product, you support Finnish cancer research. Campaign products are available only in Finland.
