

Pink Ribbon Mini Flashlight

PINK RIBBON FLASHLIGHT MINI

Description of product family

A compact flashlight suitable for all kinds of unexpected lighting needs. Keep the Mini light as a keyring or attach it to your bag with the hook so it's always with you. The light turns on only when the lamp head is pulled away from its magnetic base. The base remains hanging from its loop. You can direct the beam where needed and hold the light freely in your hand. It can be used as a regular flashlight or extended into a lantern-style light where the handle also glows. By purchasing a Pink Ribbon product, you support Finnish cancer research. Campaign products are available only in Finland.
