

40 LED IP20 GS 3.2V 0.96W

LED set

This much-requested, nostalgic string light set will bring back memories from decades ago! Did your childhood home or grandma's house have this familiar set of lights hanging in the window? The Snow Crystal set is available with either bright white or multi-colour LEDs (green, blue, yellow, and red). The crystals are clear when the LEDs are turned off. LED 40 pcs. String light length 8 meters. Dark cord.
