HUURRE FROST LED CANDLE LANTERN

LED candle lantern

Description of product family

An atmospheric LED candle lantern that is suitable for both indoor and outdoor use. Highly impressive on a table on the terrace or balcony when combined with some candles, for example. Product diameter 10 cm, height 15 cm. The dome is made from frosted glass, through which the warm white LED glows beautifully. Base made from concrete-coloured plastic. Battery case on the base. Battery-powered (2 x AA), not included in the box. The product features a timer function.

Technical details
