

IP44

## + TIMER

### LED chains

LED sets designed for outdoor use with clear or dark cord. The clear-cord version is available in four different lengths and the dark-cord version in six. LED warm white, non-replaceable. The traditional and popular LED set now comes with a timer function. The adaptor includes a button that can be used to adjust the timer. LEDs consume very little energy, but the timer can be used reduce that amount even further. Adaptor IP44.
