LED FIL USB-C 18650 1200mAh 3,7V

Decorative lantern

An atmospheric and stylish LED decorative lantern for indoor use. Available in black or white. Gold-colored details, handle, and on/off switch. The globe houses an LED filament bulb that shines warm white light (2700 K). The light is turned on or off by pressing a switch that can also be rotated to freely adjust the intensity of the light. The base of the lantern includes a battery case. The lantern can also be charged through a USB-C port.
