LED candle

Matte LED candle available in several colour options. A beautiful LED table candle, 10 cm high and 7 cm in diameter. The product is battery-operated; batteries not included. The On/Off/timer switch and battery compartment are located at the bottom of the candle. Twist open the base plate to insert the batteries. With the timer setting, the candle lights up for 6 hours and turns on again automatically after 18 hours. LED candles do not heat up – they create a safe, atmospheric light for your home.
