DORIL BALL LIGHT STRING 1.8M

Decoration Garland

Description of product family

A rose-gold-toned decorative garland suitable for various styling and interior decoration uses. The garland includes 38 beautiful balls and, between them at 10 cm spacing, a total of 20 warm white LEDs. The transformer features a timer function: press once to switch the lights on, press a second time to activate the automatic timer. When the timer is active, the indicator light glows green. In timer mode, the product stays on for 6 hours and off for 18 hours. Be mindful of the activation time! A third press switches the product off.
