VALORA LED WAX CANDLE 10 CM

LED candle, 10 cm

Description of product family

10 cm high LED table candle lantern. Inside the amber-coloured glass bowl, a white LED candle with a wax finish burns with a flickering "flame". The battery compartment is located at the bottom of the candle; batteries are not included. The candle features a battery-saving timer function: the light stays on for 6 hours and automatically turns on again after 18 hours. The LED candle is a beautiful and fire-safe alternative to a traditional wax candle.
