

Smart LED Strip 12V

IP20 3,4W/m RGBTW 2m

WiFi LED strip

With the WiFi CCT RGB LED strip, you can create indirect lighting or exciting light effects in your home. Simply plug the strip into a wall socket – it's ready to use! Adjust the color temperature from warm to cool white (2700 K – 6500 K), or change the light color using the RGB feature. The strip can display only one color at a time – it does not support gradient or rainbow effects. LED strips can be connected together up to a total length of five meters. The range includes strips of various lengths and a 1-meter extension piece. You can control Airam SmartHome products with the Airam SmartHome app. Download the app from the App Store or Google Play. The app is available in Finnish, Swedish, and English. Connect your devices to your home's secure WiFi network – no separate hub is required! Products can also be voice-controlled via Google Assistant, Amazon Alexa, or Siri Shortcuts.

Smart LED Strip 12V LED-light strip 6.8W 3.4W/m

IP20 3,4W/m RGBTW 2m

EC002706

Mounting	
Mounting method	Surface mounting
Degree of protection (IP)	IP20
Type of wiring	Ending

Structure	
Model	Tape
Lamp type	LED not exchangeable
Energy efficiency class of light source according to EU regulation 2019/2015	G
With end piece	No
With connection set	No
Self-adhesive	Yes

Dimming and control	
Compatible with Apple HomeKit	No
Compatible with Google Assistant	Yes
Compatible with Amazon Alexa	Yes
IFTTT support available	No

Photometric data	
Luminous flux per meter (lm)	200
Radiation angle (°)	220
Colour of light (alphanumeric)	RGBW
Colour temperature (min) (K)	2700
Colour temperature (max) (K)	6500
Colour rendering index (CRI/Ra)	80-89
Colour temperature switchable	Continuously variable

Lifetime and capacity	
Rated life time L70/B50 at 25 °C (h)	15000

Measurements	
Width (mm)	12
Height/depth (mm)	3
Length (mm)	2000

Electrotechnical data	
Lamp power per meter (W)	3.4
Voltage type	AC/DC
Lamp voltage (min) (V)	12
Lamp voltage (max) (V)	12
Protection class according to IEC 61140	III
Maximum system power (W)	6.8
Power factor	0.45
