COB Led Strip

24V IP20 9W/m 2m

Punktideta LED-riba

COB LED strips provide smooth, even light without the visible LED dots typical of standard strips, making them less glaring. The range includes two different lengths, both available in white (3000 K) and cool white (4000 K) light tones. A remote control is included, allowing you to easily adjust various light functions such as timer, dimming, and flashing modes. With these LED strips, you can effortlessly create atmospheric indirect lighting and clever lighting solutions that take your home décor to the next level!
