## E27 MAX 20W

Table lamps with wooden details

Pretty table lamp with wooden details. Globe diameter 12 cm, lamp height 34 cm. Two different color options for the frame: black and beige. The luminaires have an E27 bulb socket, and a P45-shaped bulb is the best fit for this fixture. Choose a suitable bulb from Airam's wide range of LED options. We recommend using Airam SmartHome bulbs that you can adjust and time using the mobile app. Or try out the 3-Step-DIM bulbs that can be dimmed using a standard light switch!
