

Trina

TRINA DESK LIGHT 45 600LM WH

Table light

Description of product family

Bar-like desk light that you can attach above the screen of your PC or laptop. The light causes no glare or reflection. It is focused precisely on your keyboard and desk, helping you see what is important. The cool white light keeps you refreshed! You can adjust the light in three steps: white (3000 K), cool white (4000 K), cold white (6500 K). You can also adjust the brightness of the light in three steps (100% – 40% – 10%). Memory function: when you switch off the light, it retains the last light setting. Excellent color rendering, CRI > 95! The stand features a USB-A charging port that you can use to charge your phone or other mobile device, for example.
