E27 max 15W 450mm
1800mm+ON/OFF

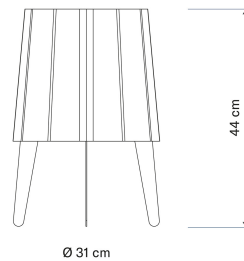

Table Lamp

The elegant Airam Laune® Desk table lamp is, as the name suggests, ideal for desk use and adds atmosphere to any interior. Thanks to its generous size, it can also be placed on the floor to brighten up a dark corner. The lamp is manufactured at Airam's factory in Lahti, Finland, and has been awarded both the Key Flag and the Design from Finland mark. Available in three color options: white, dark grey pearl, and vanilla yellow. Note! The lamp must not be used as a surface for placing items! Its structure is not designed to support weight and it is not protected against, for example, spilled liquids.
