

SmartHome COB RGB+TW

SMARTHOME COB RGB+TW LED STRIP

LED strip IP20, 2 m

Description of product family

The Airam SmartHome COB LED strip produces smooth, dotless light. Designed for indoor use, it helps you create perfect ambience for everyday living and celebrations — indirect lighting, accent lighting, and modern decorative illumination. Adjust white light from warm to cool or choose freely from the RGB colour palette. The package includes a remote control for easy operation. SmartHome products can also be connected to the Airam SmartHome app, giving you access to all extended features on your phone.
