

3-part Pop-Up

POP-UP 3-WAY. USB-A+USB-C. WC. 1,5M

Description of product family

A socket suitable for more demanding use in the kitchen, home office or company work stations. The pop up socket is mounted into the table top, from which it will ascend thanks to the weight mechanism. Three Schuko sockets as well as USB-A and USB-C ports. Option for wireless charging on the cover if your portable device supports this function. Frame and cover colour: black. Cord length 1.5 metres.
