

Smart Camera IP65

SMART CAMERA IP65

Description of product family

Home security products are an essential part of the Airam SmartHome collection. The camera, suitable for outdoor use, is equipped with human detection and motion sensor. The camera includes two-way audio. The camera includes a speaker and a microphone. The SmartHome application lets you hear sounds coming from the speakers, and you can speak into your device which allows your voice to sound through the camera speaker. The night mode -setting makes sure the image is clear even in the dark. Watch live footage from the camera through the Airam SmartHome app. Chargeable 9000 mAh lithium battery, SD slot (max. 128 GB) and cloud storage. Screw attachment.
