

MAX

BATTERIES 4xAAA NOT INCL.

Torches

Airam's Max torch range offers a solution for all uses: store a powerful torch in your car for emergencies or keep one on hand at home or in a storage room. The body design ensures that the torch does not roll on a smooth surface. The range includes numerous options in different sizes and with different light outputs. Torches are battery-powered. High-quality aluminium body in black, with blue as the accent colour. All models come with an easy-to-adjust beam and a zoom function. The battery-operated Max torches' luminous flux range: 120, 250 to 500 lumen. Includes a wrist strap for easy carrying or hanging.

MAX 500 flashlight. Light source 5 W LED, not replaceable. 500lm. Light 100%, 50%, off. Power supply 4 x AAA. Body made of aluminium alloy. Black. Diameter 39 mm, length 175 mm. Hanging packing.
